21-24 February 2022

The Local Organizing Committee of the IASC-ARS 2022 invites submissions for the 11th conference on “Data Science Everywhere: Innovations in Statistical Computing”. The conference will be held on 21-24 February 2022 in a hybrid format, combining an in-person conference on the campus of Doshisha University with a virtual component.

This conference will provide a platform for researchers from academia and industry to share their innovative findings, exhibit the latest studies and applications, and build up networks with peers in variety areas, including but not limited to, Bayesian computation, biostatistics and biocomputing, clustering and classification, computational econometrics, computer intensive methods, data visualization, functional data analysis, graphical models, high-dimensional data analysis, image processing, machine learning, mixture models, nonparametric statistics, numerical methods in statistics, optimization in statistical modeling.

An invited session consists of 100 minutes of oral presentations. Each organizer(s) can organize up to two sessions. An invited session proposal includes a session title, general description of the session, list of 3-5 speakers (with/without discussant(s)) and tentative talk titles. The official language for all submissions is English. Each organizer, chair and speaker can choose either on-site or online participation.

If you are interested in organizing an invited session, please submit a one-page proposal including

- Session title
- Session organizer and affiliation
- Session chair and affiliation
- Session description
- List of speakers (and discussant(s)) and affiliations
- Tentative title for each presentation

Submissions can be made on Google Forms (<https://forms.gle/EvLxe9h2GKBRHdaA7>), or by e-mail to **program@iasc-ars2022.org**. **The submission deadline has been extended to 31 July 2021.** The organizers will be notified of the review committee’s decision by 15 August 2021. Individual abstracts will be required by 31 October 2021, if the proposed session is approved.

Successful submission will be acknowledged with an electronic receipt including a reference number, which should be quoted in all correspondence.
